Nespresso may contact you with information relevant to the relationship, including marketing similar products or services. Nespresso will process your information in accordance with the Nespresso Privacy Policy [https://www.nespresso.com/pro/uk/en/pages/legal]. You can withdraw your consent or change your contact preferences at any time.

SUBSCRIPTION CONTRACT TERMS & CONDITIONS

Nespresso Professional will place at the disposal of the customer, free of charge, a Nespresso machine under the following conditions:

The Nespresso machine mentioned above is delivered free of charge by Nespresso UK Ltd ("**Nespresso Professional**") at the address of the customer stated above. **Nespresso Professional** has the right to exchange the Nespresso machine at any time against a technically comparable machine.

The Nespresso machine remains the exclusive property of **Nespresso Professional** during the entire term and after expiry of the contract, and may not be moved without the written agreement by **Nespresso Professional** to another location, rented to another party or used otherwise.

Nespresso Momento machine is designed to brew only genuine Nespresso capsules. The customer agrees to purchase the required minimum annual capsule consumption* from the **Nespresso Professional** product assortment by way of a monthly standing order. The customer may change coffee varieties, increase standing order, or make additional orders any time.

The customer will receive one invoice including machine, service package and minimum monthly capsule commitment all in one, this cannot be changed as it is all included in the price. Subscription fees are subject to change at any time and without notice. However, if the customer decides to order over their minimum capsule commitment they will be entitled to a rebate of £0.02p on additional capsules up until the maximum amount of capsules allowed for the chosen machine, this will be reduced from the overall invoice. **Please note that the additional capsules must be ordered on the standing order**, any adhoc orders via other routes will not be entitled to the £0.02p rebate.

Required minimum annual capsule consumption per machine, in addition to the monthly subscription fee

Contract Duration and Minimum Term	24m	36m	24m	36m	60m (M120 only)	24m	36m	60m

After the Minimum Term has elapsed, either party can terminate this contract by giving three months written notice.

If the customer chooses to cancel before their minimum term is complete, they will be obliged to pay the remainder of their monthly capsule obligation. Early termination is calculated as follows: remaining months on contract x capsule price x minimum monthly capsule consumption.

If the minimum capsule purchase obligation is not adhered to by the customer, **Nespresso Professional** reserves the right to either invoice the customer for the capsule deficit or remove the equipment, terminate the agreement with immediate effect and invoice for the early termination (as defined above).

The contract can be terminated from both sides for significant reasons only, immediately. Significant reasons for **Nespresso Professional** include, but is not limited to, the introduction of an insolvency procedure regarding the customer, deliberate and/or negligent damages to the Nespresso machine, or of the placing of the Nespresso machine to another location without the agreement of **Nespresso Professional**, and/or the use of coffee products other than those from **Nespresso Professional**. After the completion of the contract the customer is obliged to return the Nespresso machine to **Nespresso Professional**. If **Nespresso Professional** is unable to collect the machine, **Nespresso Professional** reserves the right to invoice the customer for the value of the machine and all liabilities and ownership with regards to the machine will be transferred to the customer. The value of the machine is calculated based on the age of the machine and the perceived saleable value at the time of the calculation.

The customer is obliged to advise in a possible insolvency/bankruptcy or liquidation expressly that the Nespresso machine is the property of **Nespresso Professional**. If it should come to the seizing of property, the customer is obligated to immediately inform **Nespresso Professional**.

Payment is due in full for all goods within 30 days of the date shown on the invoice.

If at any time this machine is purchased outright, then the Subscription contract becomes null and void.

Professional Coffee Service (PCS)

The "PCS – Professional Coffee Service" is a service guarantee. Nespresso Professional warrants the professional coffee machine(s) (the "Product") against defects in materials and workmanship during the validity of this agreement.

PCS warranty only covers the Product(s) placed within this contract and is not transferable without prior and written agreement from Nespresso Professional. The "PCS – Professional Coffee Service" is included when customers choose the "Free on Loan" "Subscription" and/or "Rental" contract/s and meet the terms of these agreements. Should you not meet the terms of agreement and/or capsule obligations are not met, this warranty will no longer apply, and service fees will be charged as below. The service fees are subject to change at any time without any notice. The service fees listed below are exclusive of VAT.

CRITICAL SAFETY INFORMATION (MUST READ)

We can confirm that the **Nespresso** Momento 120 machine has been designed and constructed and falls within scope of the **Pressure Systems Safety Regulations 2000 (PSSR)**. To **ensure compliance** with this regulation **the customer will need to make a service request that Nespresso perform the "annual maintenance/service" either after 9000 milk recipes and/or 12 months**, whichever comes first. When the maintenance is due the machine will display the following message "Machine service to be performed. Please contact machine operator". The cost of this service is currently £1280 excl VAT and does not include the filter change which costs £165 excl VAT. For Subscription and Operating agreements, the cost of this service is included, provided that the customer meets the minimum consumption levels as per contract. **For the avoidance of doubt the responsibility and liability for managing, planning, record keeping and requesting this service will remain with the user i.e. customer in this case.** Should you suspect there may be a defect/fault with the machine, please stop using the machine immediately, follow safety precautions and contact Nespresso. Once the maintenance/service is completed, a certificate to confirm compliance will be issued to the email address provided at the time of the activity taking place and is valid for 14 months.

End of life or Beyond Economic Repair

Machine life will depend on usage, water hardness, cleaning, care and age. Should the equipment reach "End of life" or be deemed "Beyond Economic Repair" i.e. the cost of repair exceeds the value of the product you will be contacted by **Nespresso Professional** to discuss alternative options/solutions.

Liability

The Customer shall assume full responsibility and liability for, and will indemnify and keep indemnified Nespresso Professional and its Affiliates for, without limitation, any and all costs, damages, expenses, losses (including any direct or indirect losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) or liability of whatever nature incurred or suffered by Nespresso Professional and its Affiliates as a consequence of any non-compliant installation and/or modification (Including 3rd Party Systems and/or Solutions) of any Nespresso Product/s and/or Machine/s and/or deviation, whether negligent or not, from the recommended Nespresso Machine set up guidance as supplied to the Customer where the instructions for such non-compliant installation come from the Customer, its representatives or subcontractors.

Upon early termination of this agreement **Nespresso** Professional reserve the right to charge any costs incurred by this early termination back to the customer. The charge would be for logistics, labour and product inspection upon return. The minimum cost for early termination in relation to each product would be £350.00 Excl. VAT. Should the cost of bringing the machine back into service, in a suitable state, exceed this value and/or not be covered by the terms in this warranty, Nespresso Professional will advise the customer and the cost shall be charged to the customer E.g. If machine has not been maintained, used or cleaned as instructed the cost will be charged to the customer.

Inspection of Nespresso Branded Product/s

Nespresso Professional reserves the right to perform regular visits* to the location, within normal business hours, in order to assess the state of the Nespresso Machine. However, Nespresso has no obligation during such inspection visits to repair, replace or maintain any part of the Nespresso Machine, regardless of the cause of damage or deterioration.

*48 Hours' notice will be given before a site visit.

Use of 3rd Party Payment Solutions

Under certain circumstances **Nespresso** Professional will allow the use of a 3rd Party Payment Systems (henceforth '3PPS'). **Nespresso** Professional undertakes relevant due diligence to confirm the regulatory compliance of certain selected 3PPS, but the Customer assumes overall responsibility for ensuring the product is suitable according to local regulatory law and all aspects of the 3PPS have relevant local homologations.

The Customer alongside the 3PPS Provider retains all responsibility to ensure the correct PCI-DDS controls are in place for use with the system.

Nespresso Professional are not responsible or liable for any change; intentional, accidental or otherwise, of prices on the **Nespresso** Professional machine and/or 3PPS.

Nespresso Professional will not install or otherwise set up any 3PPS under any circumstances. Any installations must be performed by a competent person and must respect the electronic hardware and software of the machine.

In some cases, it may be necessary for the 3PPS to be removed from the machine to complete a repair. **Nespresso** Professional accept no liability for any damage to or loss caused by the removal of the 3PPS system from the machine, nor the reattachment of the unit upon completion of repair. If the customer has any concerns about the removal of the 3PPS they are advised to have the installer visit prior to the **Nespresso** Professional engineer to remove the unit.

Nespresso Professional will **NOT** under any circumstances, inspect and/or work on any Product/s and or Machine/s that are observed, suspected or found to be in a non-compliant state, and/or have been modified in any way that may cause danger to the engineer or end users. This includes any deviation from the original product safety and/or usage instructions, any supplementary documentation. Incorrect or non-compliant installation may result in **Nespresso** Professional and/or its affiliates being unable to inspect and/or work on the Product/s and/or Machine/s and will result in a charge for the visit.

If the customer has installed a non-approved payment system **Nespresso** Professional retain the right to refuse the work on the machine until the installation is removed. For certain repairs it may be required for **Nespresso** Professional to replace electronic components on the **Nespresso** Professional machine that directly impact the link between the 3PPS and the machine. This may require a reprogramming of pricing. It is the customers responsibility to confirm the pricing has been re inputted correctly before use. It is recommended that someone from the 3PPS is present to confirm the correct pricing has been maintained.

Liability Specific to 3rd Party Payment Solutions

Nespresso Professional is not a party to any service or payment agreement between the customer and any third party in relation to the 3PPS. **Nespresso** Professional disclaims any liability in relation to the rights and obligations of the customer and any third party vis-à-vis each other in this respect. In particular, **Nespresso** Professional will not be liable for any claims, damages, losses or expenses, or any bodily injury, death, or property damages caused by or arising from the installation and exploitation of the remote payment unit and any agreement between the customer and any third party in this context. **Nespresso** Professional expressly disclaims any liability in relation to the payment services.

Data Sharing – Only applicable for a Nespresso Momento machines or Payment Solutions

The **Nespresso** Momento machine can collect usage statistics and send them to **Nespresso** Professional (or Nespresso Authorized Distributors) to allow improvement of the product and service quality. Those usage statistics include brewing and other notable machine usage events. The **Nespresso** Momento machine does not share any data, which contains information that would enable **Nespresso** Professional to identify a person.

The customer hereby acknowledges and agrees that **Nespresso** Professional may have access to all data retrieved from payments made by customers making use of the payment system installed on the **Nespresso** Professional machine including the following: capsule consumption (per transaction, product, date/time and payment method, capsule stock by product, alerts and operational information. **Nespresso** Professional shall use these data strictly for internal purposes and shall not have access to any data which are sensitive in the context of applicable data protection and competition law regulations. In particular, **Nespresso** Professional shall not request and will have no access to any Company's commercial information, including but not limited to prices or other commercial information, nor any personal data, protected by the applicable data protection and antitrust regulations

Remote Software Update - Only applicable for a Nespresso Momento machine

The **Nespresso** Momento machine includes telemetry, through which Nespresso will update the machine software remotely.

The **Nespresso** Momento machine is designed to brew only genuine Nespresso capsules. **Nespresso** Professional reserves the right to investigate machine usage to determine whether a defect or dysfunction is as a result of the use of alternative capsules. Where it is proven that this is the case, such defects or dysfunctions resulting from the use of alternative capsules will not be covered by the warranty.

Confidentiality & Data Protection
