LET'S MAKE IT!

STEP 01

In a Nespresso Affogato bowl, serve one generous ice cream scoop of the ice cream you like. We recommended a Vanilla ice cream or, to prolong the pleasure, a caramel ice cream.

STEP 04

Enjoy!

STEP 02

Brew the Pumpkin Spice Cake Nespresso Coffee
*With the Vertuo capsule, use Creations Mode for a 80ml instead of 230ml, and Espresso 40 ml button for Original

STEP 03

Garnish with cinnamon powder, granola, or few pumpkin seeds.
